

OUJA BOARD SIZING

Relative Effort To Complete

1. Arrange the Planning Poker cards around the table in ascending order
2. Choose the first item to size
3. As a group place your index fingers lightly on the upturned glass
4. Clear your mind and channel the Estimation force in the universe
5. The glass will move to the corresponding effort size
6. Write the corresponding size on the item
7. Place the item back on the backlog
8. Repeat for each of the remaining items
